

Dear Parents/Guardians:

Sending e-mails is a quick way to communicate with parents. Your e-mail was requested on the registration forms but the space provided was small and some of the e-mails were not legible.

If you chose to share that information with me, it would help me to communicate to you a little faster. Your e-mail will remain confidential.

Please print all the information.

Parent full name: _____

Your child/children's names & grade: One form will be sufficient.

E-mail: _____

Thank you for your help and understanding.

Phyllis Niwinski
Office of Faith Formation

IF YOUR E-MAIL HAS NOT CHANGED THERE IS NO NEED
TO RETURN THIS FORM.
